

DUAL Universal Battery Tray

Model: LL-BLBT-U-2

Watch Online

Instructions

1. Mount the tray to the vertical boat lift post.
2. Use one hose clamp near the top.
3. Use the second hose clamp near the bottom.
4. Secure hose clamps tightly to the vertical post.
5. Place Battery or Battery-Box on tray.

NOTE: For best results use 12v Marine Deep Cycle Batteries, Size Group 24 with a Group 24 plastic battery boxes/tubs.
